

Uniform Expectations at St Boniface's Catholic College

At St Boniface's we value the importance of uniform and how it is worn on a daily basis. We firmly believe that having high standards of uniform helps the students get in the correct frame of mind for successful learning. School uniforms play a key role in **promoting pride, self-confidence, and a feeling of belonging within the student body**. These factors contribute to students' wellbeing, removing the additional pressures of deciding what to wear and added stress of meeting the expectations of their peers.
